World-renowned chefs are set to grace the Tastes of Discovery Series, each infusing their own unique cultural flair into the program. Scenic Group’s own Chef Tom Goetter, VP Oceans Hotel Operations and the creative force behind the esteemed culinary program aboard the Scenic Eclipse Discovery Yachts, is also the visionary behind the series. He is known for his innovative approach to fusing age-old traditions with contemporary trends. Joining him are chefs Dale MacKay and Gabri Rodriguez, who are celebrated far and wide for their achievements and pioneering contributions to the culinary arts.

“I am honored to kick off this Tastes of Discovery Series with incredible chefs that I am lucky to call friends,” said Chef Tom Goetter. “Chef Dale has had the privilege of working with masters like Gordon Ramsay and Daniel Boulud, culminating in his triumph on the first season of *Top*
